

# CURRICULUM VITAE

## JENNIFER KEYTE

### PERSONAL PROFILE

---

I am a well organised, hard working person who enjoys working as a team and using my own initiative. My valuable experiences have allowed me to gain thorough understanding in both primary and secondary sectors. I am a committed, dependable member of staff within all aspects of school life and consider myself to be an enthusiastic, motivated teacher with a high standard. My experience has allowed me to develop my classroom management skills, including behaviour management within challenging contexts. I have a fun, outgoing personality contributing to the positive ethos and encouraging rapport within learning environments I create.

### WORK EXPERIENCE

---

August 2012 - Present The American School of the Hague

*Physical Education and Health Teacher - Grade 9 and PS-12 PE Coordinator (Feb 2014 - present)*

- Within my current post I teach all grade 9 students PE and Health based on the National Association of Sport and Physical Education (NASPE) Standards. I assist Elementary, Middle and High school teachers to develop their curriculums and support the day to day running of the department. I am teacher supervisor for MSF charity organization, and an advisory for a Grade 9 group.

Aug 2010 – July 2012 British International School Abu Dhabi

*Physical Education and Swimming Teacher*

- Delivery of Physical Education and Swimming lessons to pupils from FS1 to Year 10. During the past 2 years I have taught a variety of activities, and have been responsible for a tutor group and teaching PHSE to Year 8. I have helped organise ECA program, and fixtures/competitions within the schools house programme. This year I have also developed Schemes of Work, assessment procedures, supporting documents and valuable teaching resources to help establish the department within this new school. I have been involved in BISAD's preparation for IB accreditation, including informal training and professional development.

Aug 2009 – July 2010 Cambridge International School for Girls, Doha, Qatar

*Primary Teacher (Grade 2)*

- Delivery of the English National Curriculum to Grade 2 pupils (across all subject areas). This experience allowed me to understand teaching in an International setting and gave me the opportunity to teach pupils of a younger age. To this end, my overall approach towards teaching has matured and I feel I am more knowledgeable as a result.

Aug 2008 - July 2009 Turriff Academy, Aberdeenshire Council

*Physical Education Teacher (Secondary)*

- Building upon my experience within my previous post, I increased my experience across the age range gaining a more thorough understanding of the knowledge, concepts and skills required in line with implemented National Initiatives. This included teaching strategies, classroom management techniques and assessment procedures.

Aug 2006 - July 2008 Fraserburgh Academy, Aberdeenshire Council

*Physical Education Teacher (Secondary)*

- Delivery of quality education to assigned pupils and contributed, within a collegiate ethos, to the professional life of the school. Provided quality learning and teaching and promote the attainment and achievement of all pupils.

July 2002 – March 2010 Aberdeenshire Council

*Relief Leisure Attendant*

- Leisure attendant post which required me to ensure the health, safety and appropriate conduct of members of the public whilst in the Swimming Pool or Leisure & Recreation Facilities. Job included first aid, swimming teaching, and gym instruction.
